

Imagine. Inspire. Engage.

ExperienceInnovation™ | Aware

For Your Next Conference

Today, innovation is the most important way for companies to accelerate change in the current digital, global world.

ExperienceInnovation™ | Aware is a highly active, engaging program that allows you to practice the habits of highly innovative people in only 90 minutes. It can be delivered at a conference or event for 50 to 500+ participants.

We Fuse Technology with Learning

Unlike traditional programs, participants use their phones and tablets! During this mobile-enabled experience, you will be exposed to radical collaboration, feedback, brainstorming and finding new solutions in a way that is imaginative, inspiring and easy to implement.

Provoke Fresh Ideas

We integrate seamlessly with the topic of your conference. The skills and behaviors that participants learn from our program can be applied to nearly any topic. From strategy and operations to idea generation and collaboration, we can ensure the program and debrief is relevant to your audience. Our Delivery team will work with you to ensure the right language and framing is used.

We've Got You Covered Worldwide

Our global network of 700+ facilitators allows us to scale with your conferences' need for coverage, expertise and cultural intergration.

Experience **Aware** for your next conference and unleash new ways of thinking at all levels of your organization!
